Sensumi™

Softer daily-use
topical cream to
increase sensation

Circumcision can make the glans prone to Dullness Syndrome (DS), a gradual loss of penile sensitivity over time which may increase with aging. The Reduced Penile Sensitivity (RPS) or decreased sensation in the penis can interfere with your sexual performance and satisfaction during sexual activity.

Sensum was created in response to an increasing awareness about the important role of masculine sensitivity in sexual function. Applied daily, Sensum formulation moisturizes the glans (head of penis) to give you more intense feelings in sexual experience. Sensum is intended to alleviate reduced penile sensitivity (RPS), with regular use.

The safety and efficacy of Sensum was evaluated in a post marketing use study. 368 men used Sensum twice daily for fourteen consecutive days and as needed thereafter. Over 70% of the patients who used Sensum reported an increase in their penile sensitivity during sexual intercourse and over 80% of the patients were satisfied with the products. No user or partner side effects were reported.

IMPORTANT INFORMATION TO KNOW ABOUT SENSUM:
Recommended by doctors and men's healthcare professionals. Documented to be safe and effective in a post-marketing survey of actual users. Comes in a convenient, handheld pump dispenser. Contains no drug ingredients. Is made of ingredients listed by the FDA as Generally Recognized as Safe (GRAS).

DIRECTIONS:
Sensum is provided in an airless 10mL dose metered dispenser. 150mg of cream is dispensed with each push of the button. Use Sensum as part of your daily grooming regimen.

For the first 14 days
Apply 1 - 2 pumps (150 mg per pump) of Sensum as a moisturizing agent twice daily to tip of penis.
Massage into skin.
Allow to air dry for 15 seconds.
Wash hands with soap and water after application.

After 14 days continue to use Sensum daily or as needed to maintain desired level of sensitivity.

Individual responses may vary.
NOT INTENDED FOR USE DURING SEX.

INGREDIENTS:
Sensum is a blend of essential oils and natural botanicals including rose oil, sweet almond oil, cinnamon bark oil, and other extracts.

PRECAUTIONS:
For external use only.
Do not use if you have a known hypersensitivity (allergy) to any of the ingredients in Sensum.
Uncircumcised men should not use Sensum.
Avoid contact with eyes. If contact with eyes occurs, flush thoroughly with water.
Discontinue use if irritation develops.
Keep out of reach of children.
Not intended for use during sex. Wash penis gently with water if product was applied prior to sexual intercourse.
Store in a cool, dry place.
Sensum is packaged in a tamper-evident dispenser. Do not use if seal is broken.
